Backend: Spring Boot, Spring Framework, Production Support, Debugging, Troubleshooting, Issue Triage, Code Reviews

Database: SQL, MySQL, Stored Procedures, Data Extraction, Report Generation, Database Analysis

Tools: Git, GitHub, Linux, Excel, Android Studio, Eclipse, Firebase

Cloud: AWS Fundamentals

Professional Skills: Problem Solving, Communication, Teamwork, Adaptability, Ownership

PROFESSIONAL EXPERIENCE

Accenture - Associate Software Engineer | Jan 2025 - Present

- Support and maintain a large-scale Java enterprise application in a production environment.
- Resolve P2 incidents by analyzing stored procedures, tracing data flow, and working with senior engineers on root-cause identification.
- Create SQL-based extraction scripts to deliver recurring business data and reports on schedule.
- Contribute to bug fixes, enhancements, code reviews, and issue triage to improve application stability and delivery quality.
- Collaborate with QA, infrastructure, and business teams to support smoother deployments and faster incident resolution.

PHN Technology Pvt Ltd - Software Engineer Intern | Apr 2023 - Jun 2023

- Built practical exposure to web development using HTML, CSS, and JavaScript.
- Strengthened frontend fundamentals through hands-on internship work and guided tasks.

PROJECTS

MedGuard - Your Pharmacy Guardian | Android, Java, Firebase, Android Studio

- Developed an Android application for inventory tracking, expired medicine alerts, and stock monitoring.
- Added real-time inventory management, customizable thresholds, and notification-based safety alerts.
- Improved application logic, testing, and user-focused problem solving through the project.

FreshBuck | Android, Java, Firebase, Android Studio

- Created an application for delivery of fresh organic products including vegetables, fruits, dry fruits, and dairy.
- Assisted in inspection, optimization, and testing before client review.
- Worked in a team environment and learned practical application delivery basics.

EDUCATION

- NBN Sinhgad College of Engineering, Solapur - B.E. Computer Science & Engineering, 2020 - 2024 | CGPA: 9/10
- S.S.A. Jr. College of Science, Solapur - 12th (MSBSHSE), 2020 | 72.46%
- Twinkle English Medium School, Solapur - 10th (MSBSHSE), 2018 | 74.60%

CERTIFICATIONS

- Database Management System - IIT Kharagpur NPTEL
- Post Graduate Certification in Software Development - DataCrew Education India Pvt Ltd

PUBLICATION

MedGuard: Your Pharmacy Guardian - IRJMETS, 2024

Descriptive paper focused on expired medicine management, inventory control, alerts, and pharmacy workflow improvement.
